#FALLSFREEDOM

WELCOME TO FALLS CREEK, AUSTRALIA'S PREMIER ALL SEASON ALPINE RESORT.

We are eager to share our mountain with you again. No matter if it's your first time or your 100th visit we're going to show you what's in store this season.

If it's your first time to Falls Creek, this guide will answer a lot of your questions about parking, getting around the village and how to make the most of your Falls Creek adventure. To those who have visited before, we welcome you back and can't wait to share what's happening in 2022.

Peruse the following pages for all the information you need about how to get here, what to do, how to get decked out in the latest snow gear, and night time activities on our lively mountain.

Our cosy alpine village, pristine landscape and spectacular ski slopes are ready for you to explore. Be our guest and take a look through the tips and info in this guide – you never know what helpful hint you might find.

HEALTH & SAFETY IN THE RESORT

ONLINE PURCHASING

Lift tickets and lessons should be purchased online and in advance to secure the lowest prices and for the best experience when you arrive. It is best if you purchase and print your vehicle resort entry permit prior to visiting the resort so it can be displayed on your windscreen.

CASH HANDLING

We will be encouraging use of contactless payment (think tap-and-go) and minimising cash handling in the resort as much as possible. Many businesses may not even allow cash transactions at all. Please ensure you are prepared to cover your expenses during your time in the resort under these new conditions.

HYGIENE AND CLEANING

The resort has put in strict measures to keep you safe and healthy during your visit. Businesses within the resort are frequently cleaning and disinfecting high-touch surfaces and hygiene stations will be provided at entrances, throughout venues and in public toilets. Please ensure you practice good hygiene.

PHYSICAL DISTANCING

The number of people within indoor locations at any one time may need to meet the capacity restrictions for that space as set by government mandates. Physical distancing between guests on the mountain may be controlled. There may also be capacity restrictions and contact tracing requirements in each venue subject to government requirements. This will be advised by the establishment via their websites and signage at the venue.

ORGANISATIONAL MANAGEMENT

Every business in Falls Creek is encouraged to work under and have a COVID Safe plan. Please be respectful of all COVID Safety requests within businesses, as these are designed to keep both guests and staff safe so we can all have a great winter.

RENTAL EQUIPMENT

Rental equipment will still be available for skis and snowboards and this equipment will be sterilised between customers. Helmets, goggles and outerwear will be available to rent this year from outlets. Gloves cannot be rented but will be available for purchase on the mountain.

IF YOU ARE FEELING SICK

If you have serious symptoms, such as difficulty breathing, call 000 and ask for an ambulance and tell them if you also have a fever or a cough, sore throat or respiratory illness.

If you begin to feel unwell, and have a fever or a cough, sore throat, shortness of breath or respiratory illness you should self-isolate immediately and do a Rapid Antigen Test (RAT).

Please bring RAT's with you on your visit to the resort as these may be hard to come by once here. Do not go to the medical centre if you have any coronavirus symptoms. Call your doctor and advise of your symptoms and risk factors for personalised advice.

INFO ON THE GO

GET ORGANISED AND GET ONLINE BEFORE YOUR TRIP

Make your trip to the mountain smoother by pre-purchasing your resort entry vehicle permits prior to arriving. Save time at the gate and get on the slopes faster.

PURCHASE YOUR RESORT ENTRY PERMITS ONLINE

Before your trip, jump online at fallscreek.com.au to purchase your Resort Entry Permits, then print the permits and display on the dashboard.

This will make it quicker for you to get through the gate and onto the slopes.

Visit www.fallscreek.com.au/resortentry

PURCHASE YOUR LIFT TICKETS ONLINE

For the best prices, purchase your lift tickets online prior to visiting the mountain.

TRAVELLING TO FALLS CREEK

SNOW CHAINS

From the 11th of June until the 3rd of October, all vehicles driving to Victorian alpine resorts are required by law to carry and be able to properly fit snow chains (including 4WDs). You can rent these at several outlets in Myrtleford, Bright and Mt Beauty along the way. Thanks to the great work of our snow clearing crew and a sheltered approach, chain fitting usually applies only during, or directly after heavy snowfall.

Make sure you fit chains only when and where advised by LED signage or resort staff. Be sure to obey all signage and instruction.

If you do need to fit chains there are designated bays to do this. Please ensure you are safely off the road before exiting the vehicle. If you are unsure whether you need to fit chains check the live status in the snow report at falls creek.com.au or the Falls Creek phone app. You can also call Visitor Information on (03) 5758 1200.

TIPS FOR DRIVING AT FALLS CREEK

- **LP gas vehicles:** Switch to petrol for best performance in alpine areas.
- **Diesel vehicles:** Alpine diesel fuel mix should be used in all diesel vehicles (available in Myrtleford, Bright and Mt Beauty).
- **Fuel:** Fill up in Mt Beauty as there is no fuel available at Falls Creek.
- **Snow chains:** Pack your chains at the ready for easy access in-case conditions change on your drive. Always fit chains only when advised as fitting chains on a dry road can damage the road and your vehicle. If you rent snow chains, video the chain fitting demonstration to refer to later.
- **Driving:** In icy conditions, avoid sudden braking or hard acceleration.
- **Visibility:** Drive with your headlights on in foggy conditions and avoid using high beams.
- **Snow on vehicle:** Do not drive with accumulated snow on your vehicle. Doing so is dangerous and creates hazards to other vehicles.
- **Icy windows:** Use a stiff plastic scraper to clear ice from car windows (never pour hot water on an icy windscreen!). There's no need to raise the window wipers on your car while parked in the resort.
- **Snow clearing:** You may need a shovel to dig your car out of the snow. Make sure you take this to your accommodation & don't leave it in the car!
- **Park and ride:** If you're not comfortable driving in the snow, the park and ride facility is a great stress free option. Available in Mt Beauty through Falls Creek Coaches: falls creekcoaches.com.au
- **Parking:** If staying for a few days it is a good idea to fit chains when you park in case of heavy snowfall. This will make it easier to dig out and move your car afterwards.

VILLAGE ACCESS & CAR PARKING

RESORT ENTRY

During the snow season all vehicles entering the resort require a valid Resort Entry Vehicle Permit for the duration of your stay. This includes the days of arrival and departure. All Resort Entry Permits expire at midnight on the last day of the permit.

The Resort Entry fee is a charge per vehicle and it doesn't matter how many passengers you have, or whether you are staying at Falls Creek or off the mountain. If you arrive after 5pm, entry is free, but for the remainder of your stay, you are required to purchase a permit.

[Please visit falls creek.com.au/resortentry to purchase your permit.](https://falls creek.com.au/resortentry)

PARKING FOR DAY TRIPS

You can self-park in the Gully, Slalom North or Windy Corner Day Car Parks, these are located on the village map at the back of this guide.

PARKING FOR OVERNIGHT STAYS

The Accommodation Transfer Service (ATS) provides a ticketed transport system to your lodge when the village is snowbound. ATS will also provide transport for your departure date back to the ATS terminal – make sure you book your pick-up time especially during peak periods.

Stop at the ATS terminal opposite the messaging sign on the main road. Once you have unloaded, the ATS crew will direct you to an overnight parking area and provide a free shuttle to return you to the terminal.

From 23rd June 2022 to 12th September 2022, Falls Creek Village will be permanently closed to vehicles (or earlier/later if conditions permit). Outside of these dates you can drive to your accommodation to unload with a 30min access time limit.

If you arrive after-10pm (or midnight on Fridays), park in the Late Arrivals parking area just downhill from the ATS. You will need to move your vehicle to the correct parking area by 10am the following day and obtain the necessary Resort Entry Permit.

Be sure to obey all parking signage and ensure your vehicle is parked completely within the lines of an approved parking space.

WHEN YOU ARRIVE

Our village is proud of its amazing ski-in, ski-out environment. When there is sufficient snow in the village it is closed to vehicles and during these times the Accommodation Transfer Service (ATS) provides a unique, memorable service to transport you and your luggage to and from your accommodation.

Tickets for the Accommodation Transfer Service are available online at www.fallscreek.com.au or at the resort when you arrive.

Please remember masks are to be worn at all times whilst on transport shuttles.

GETTING AROUND

VILLAGE SHUTTLE

A free oversnow shuttle service circulates along designated routes through the village between 8am and 5:30pm daily on a 20-minute cycle, depending on demand. This service will extend to 9pm on Night Skiing evenings. Due to space restrictions no luggage is allowed except skis, snowboards and personal shopping. Please queue at the nominated shuttle stop locations and be aware that passenger preference may be given to families with young children and the mobility impaired.

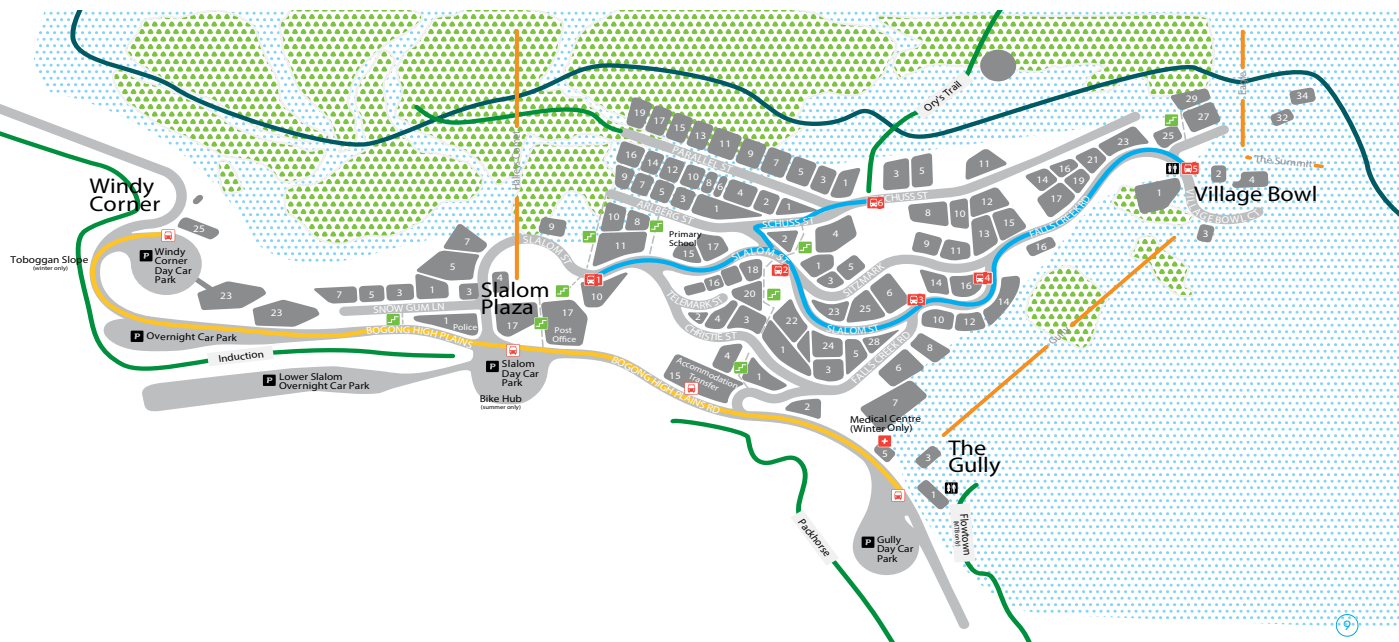

VILLAGE BUS

This free shuttle bus service travels along the Bogong High Plains Road between Windy Corner, Slalom Plaza ATS and the Gully on a 15 minute cycle between 8am and 5:30pm daily. No luggage is allowed except for skis, snowboards and personal shopping. Use this bus to access the Windy Corner Toboggan Slope, Cross Country Ski Trails and Gully Chairlift to the Village Bowl.

VILLAGE WALKWAYS

Everything at Falls Creek Village is within walking distance but a little local knowledge can help you get around faster. Familiarise yourself with our fast-track stairs and fixed walkways for some handy shortcuts through the village.

For the quickest path through the centre of the village, the well-lit stairs behind the ATS Terminal offer direct access from the bottom to the top of the village.

VILLAGE GUIDE

VISITOR INFORMATION CENTRE

The Visitor Information Centre is staffed every day of the snow season from 8am to 5pm. It's the best place to go for any questions or assistance you might need during your visit. With experienced, local staff, we are here to help with advice on activities and dining options.

Visit at [1 Slalom Street](#) or call [\(03\) 5758 1200](#).

SUPERMARKET, ATM & POST OFFICE

Foodworks Supermarket is open 7 days from 8am till 7pm and is located at the base of the stairs to Slalom Plaza. Foodworks stocks a complete range of fresh food, groceries and liquor. The supermarket also features an ATM, phone card recharges and newsagency products. Australia Post is located directly in front in a stand-alone shopfront.

For more information phone [Foodworks Supermarket](#) on [\(03\) 5758 3009](#).

PHARMACY

The nearest pharmacy is located in Mt Beauty. You can arrange for prescription medication to be delivered to Falls Creek Village. You will need a valid prescription (existing or issued by the Medical Centre) and current Medicare card for this service.

For more information phone [Mt Beauty Pharmacy](#) on [\(03\) 5754 4224](#) during business hours.

MEDICAL CENTRE

The Falls Creek Medical Centre is located near the base of the Gully Chairlift, on the main road as you enter the village. Experienced doctors are on site 7 days during winter to treat in-patients referred by Ski Patrol. An ambulance is available on-mountain (to avoid a nasty bill, we strongly recommend taking out ambulance/travel Insurance before your trip as accidents do happen!).

No walk-ins will be accepted. To make an appointment phone [\(03\) 5758 3238](#) during business hours. Calls made after hours will be answered.

In an emergency call 000 immediately before calling the Medical Centre.

I AM FEELING UNWELL, WHAT SHOULD I DO?

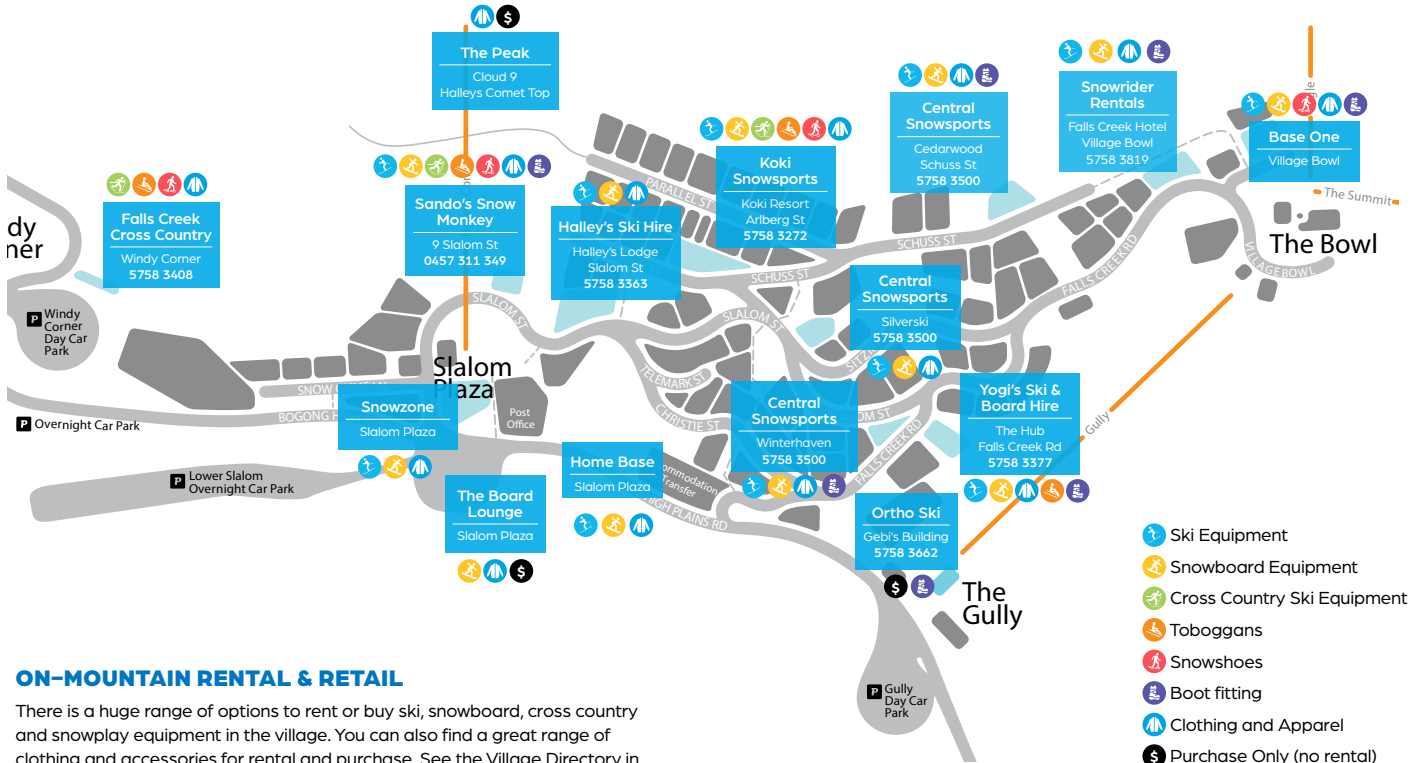

If you have serious symptoms, such as difficulty breathing, call 000 and ask for an ambulance and tell them if you also have a fever or a cough, sore throat or respiratory illness.

If you begin to feel unwell, and have a fever or a cough, sore throat, shortness of breath or respiratory illness you should self-isolate immediately and do a Rapid Antigen Test (RAT). Please bring RAT's with you on your visit to the resort as these may be hard to come by once here. Do not go to the medical centre if you have any coronavirus symptoms. Call your doctor and advise of your symptoms and risk factors for personalised advice.

INTERNET ACCESS

A free public wifi hotspot is available in the St Falls Day Shelter (halfway up the stairs from Foodworks Supermarket). The shelter is open 24 hours with instructions and terms of use on display.

SKI & SNOWBOARD RENTAL & RETAIL

ON-MOUNTAIN RENTAL & RETAIL

There is a huge range of options to rent or buy ski, snowboard, cross country and snowplay equipment in the village. You can also find a great range of clothing and accessories for rental and purchase. See the Village Directory in the back of this guide for specialist boot fitting services.

LIFT TICKETS – BUY EARLY AND SAVE

All guests wishing to ski or snowboard require a valid lift ticket and corresponding Mountain Access Card. For the best prices, purchase your lift ticket and Mountain Access Card online and in advance.

Your lift ticket access is loaded onto your Mountain Access Card – a reusable credit-card sized smart card that automatically lets you through scanning gates at resort lifts. This system is quick and easy, and you don't even need to take your card out of your pocket.

[Visit skifalls.com.au](https://www.skifalls.com.au) to top up your card at any time with lift tickets, lessons and more.

For smooth lift access, follow these tips:

- Check names printed on the Mountain Access Cards to ensure each family member has the correct card
- Place the card in a pocket on the left-hand side of your body, above your waist.
- Make sure to place the card away from mobile phones and credit cards, and only have one Mountain Access Card in your pocket – having multiple cards may interfere with the scan
- As you approach the gate it will attempt to scan the card and either open the turnstile for a valid scan or remain closed for an invalid scan.
- If an invalid scan is registered and the gate does not open, a staff member will be able to provide assistance.

[Visit skifalls.com.au](https://www.skifalls.com.au) to purchase lift tickets, lessons and rentals online and in advance to enjoy all that Falls Creek has to offer in winter.

SKIING**

Falls Creek is renowned as Australia's home of Cross Country with some of the best terrain in Australia. The Resort boasts over 65km of world-class trails that are groomed daily. Free to access and easy to learn, the sport is a great low cost introduction to the snow.

FALLS CREEK CROSS COUNTRY

Cross Country Skiing is a huge part of the unique activity base that makes Falls Creek so special, and it includes more than you may think. Skating on fast corduroy trails, exploring new terrain off-piste in the National Park, making tele carves down the lift-accessed runs – it is all part of this booming winter snowsport.

RENTING EQUIPMENT

See pages 18–19 for outlets offering cross-country rental equipment in the Falls Creek village. Outlets in the Kiewa Valley on the way to Falls Creek also offer cross-country rentals.

LESSONS, CLINICS & TOURS

Even if it is your first time on snow we recommend instruction and training to get you started. Falls Creek XC is there to help you get your ski on from beginners through to experienced skaters.

Looking to rent equipment or book lessons? Contact the centre via email falls creekxc@ymca.org.au or phone 03 5758 3408.

THRILLS AND CHILLS

Falls Creek is packed with unique experiences. Tick a few of these off your bucket list this snow holiday.

SNOWMOBILE TOUR

Explore the far corners of the resort on a drive-your-own-snowmobile tour. Experience the never-ending views of Fryling Pan Spur and Mt McKay. For an unforgettable end to your day book in a twilight tour and see the incredible colours of an alpine sunset over snow.

To book, head to fallscreeksnowmobiletours.com.au

The energy within Falls Creek through all seasons

We remain committed in our proud support for Falls Creek, year round. As the snow melts, and as tourism once again returns to the region, the melted snow flows down through the rivers, and we do our job in transforming it into renewable energy. We look forward to being back on the slopes with you again.

Progress for Life

BE RESPONSIBLE

Regardless of how you enjoy your snow holiday, always show courtesy to others and be aware THERE ARE INHERENT RISKS in all snow recreational activities which common sense and personal awareness can reduce.

These risks include rapid changes in the weather, visibility and surface conditions, as well as natural and artificial hazards such as rocks, trees, vehicles and snowmaking equipment.

ALPINE RESPONSIBILITY CODE

Know and observe the code below – it's your responsibility.

1. Know your ability and always stay in control and be able to stop and avoid other people or objects. It is your responsibility to stay in control on the ground and in the air.
2. Take lessons from qualified professional instructors to learn and progress.
3. As you proceed downhill or overtake another person, you must avoid the people below and beside you.
4. Do not stop where you obstruct a trail or fun, or are not visible from above.
5. When entering a trail or run, or starting downhill, look uphill and give way to others.
6. When riding chairlifts always use the restraining devices. Always use suitable restraints to avoid runaway equipment. Ensure your equipment is in good condition.
7. Observe all signs and warnings. Keep off closed trails or runs and out of closed areas.
8. Before you use any lift, you must have the knowledge and ability to load, ride and unload safely.
9. Do not ski, snowboard, ride a lift or undertake any other alpine activity if your ability is impaired by drugs or alcohol.
10. If you are involved in, or witness an accident or collision, alert Ski Patrol, remain at the scene and identify yourself to the Ski Patrol, call (03) 5758 3502.

Failure to observe the code may result in CANCELLATION of your ticket by Ski Patrol or other authorised personnel.

OUR ENVIRONMENT

At Falls Creek the mountains, clean air and pristine alpine views are our greatest asset. There are many ways you can help protect our beautiful environment during your stay.

If you drop it, you drink it!

Falls Creek is situated at the top of the water catchment and water from our streams feed the Murray river and eventually travels all the way to South Australia. Please don't pollute our pristine waters by littering...bin it!

Reduce your waste

Falls Creek has been collecting and recycling its food waste since 2011. Up to 40% of the resort's waste is foodwaste and when placed in landfill produces methane, a potent greenhouse gas. Look for the green 'Living Bin' in your accommodation and separate your food waste (fruit, vegetables, meat, eggs, tea bags...anything that was once living).

You can also reduce your waste by bringing your reusable coffee cup and reusable shopping bags with you to Falls Creek, just like you do at home.

Protect Our Winters

The effects of climate change could dramatically impact the alpine region's unique biodiversity. Falls Creek proudly supports the Protect Our Winters campaign which aims to mobilize the outdoor sport community to take positive action on climate change. Some small actions you can take include;

- Reduce transport energy. Car pool to Falls Creek and walk around the village as much as you can.
- Turn off lights and appliances at the power point when not in use.
- Insulate your house or lodge. Turn down the thermostat and use draught stoppers.
- Invest in high star-rating, energy efficient appliances, and wash clothes in cold water.
- Purchase greenhouse friendly products and purchase local to reduce the carbon footprint of transporting products.
- Support renewable energy sources. Switch to Green Power with your electricity provider.

When the snow melts Falls Creek cranks into a new gear with summer events and adventures taking the stage.

FALLS CREEK MOUNTAIN BIKE PARK

Falls Creek Mountain Bike Park is over 40kms of world class gravity trails, high in the rooftop of Victorian Alpine National Park. Designed and built by World Trail, Falls Creek's Park is a showcase of gravity and flow in beautiful alpine terrain.

Open between November and April the park is ideal for intermediates and beginners with challenges for the advanced as well. Greenline is an awesome trail from Summit to Lakeside with 5km of beginners descent. Stepping it up a few notches, Big Fella joins Flowtown and High Voltage as an epic bash for the more experienced. All trails start and finish within the resort and weekend bike shuttles make for endless rides without the uphill grind.

falls creek.com.au/summer-activities/mountain-biking

ROAD CYCLING

The road to Falls Creek features challenging climbs, an awesome backdrop and finishes at a village as cycle-friendly as they come. Riding Falls Creek is a dream, it's no wonder one of the world's top ten best Sportives and Grand Fondos is held here with the Peaks Challenge event.

GRAVEL RIDING

A cross between mountain biking and road cycling, gravel riding is a great way to adventure without the extreme of mountain biking. Falls Creek gives access to plenty of trail options for gravel riding, whether it be over the undulating along the high plains or riding up to look outs, we've got you sorted.

TRAIL RUNNING & HIKING

At over 1600m, Falls Creek is arguably the nation's best altitude training location. There are 45km+ of National Park trails plus the 250ha Rocky Valley Lake is a feature you don't find just anywhere. A major highlight is The 37km Falls to Hotham Alpine Crossing – a 3 day, 2 night adventure trek between the two alpine resorts. With eco-friendly camping platforms and an alternate single day route this is a challenging yet achievable addition to any bucket list.

EVENTS & VILLAGE LIFE

Summer life in the Falls Creek Village is a hive of activity with riders, runners, families and groups across most dates. Regular activities and a non-stop calendar of events throughout the warmer months, add to the charm and beauty of a high country summer holiday.
