Practice
good hygiene

CASH HANDLING

We encourage the use of contactless payment (think tap and go) and minimising cash handling in resort as much as possible.

HYGIENE AND CLEANING

Falls Creek has measures to keep you safe and healthy during your visit. Businesses within the resort are frequently cleaning and hygiene stations are provided at many entrances, throughout venues and in public toilets. Businesses are ventilated where possible. Please ensure you practice good hygiene.

PHYSICAL DISTANCING

There are no capacity requirements at present for businesses and indoor settings. Physical distancing is still encouraged, in-line with the state government recommendations.

IF YOU ARE FEELING SICK

If you have serious symptoms, such as difficulty breathing, or other emergencies please call 000 and ask for an ambulance.

Mount Beauty Medical Centre (03) 5754 3400 is the closest GP doctors clinic in summer.

The Falls Creek Bike Patrol service run when Blue Dirt shuttles are running. For assistance, please call (03) 5758 1200.

Drink Tap Water

Falls Creek tap water is safe and delicious to drink.

IT IS SAFE

We encourage all visitors to our village to drink fresh water from our taps. The water at Falls Creek is treated and safe for everyone to drink.

Falls Creek follows the Safe Drinking Water Act 2003 and the Safe Drinking Water Regulations 2015 as outlined on the Department of Health Victoria's website.

There is no need to bring store-bought bottled water to Falls Creek.

IT IS DELICIOUS

Falls Creek has some of the cleanest and most pristine drinking water in the world. Being at the top of the water chain, the mountains around Falls Creek capture the snow melt and rain which then filters through the rocks to where we get our raw water from. This is then treated to ensure the safety of the water for our village residents and visitors. Our water has no chlorine or fluoride added. It is safe for you to drink.

USE A RE-FILLABLE BOTTLE

We encourage everyone to use their own re-fillable water bottles when going out-and-about for the day. Or fill up your Camelbacks for hiking and mountain biking activities. There are water fountains located throughout the village to refill bottles.

Bring a reusable cup for your coffees as well. It tastes better that way because you know you're helping to reduce waste.

REDUCE WASTE

By drinking our tap water and using re-fillable bottles, we all help to reduce waste into the greater world and reduce the litter in our own village and surrounding wilderness.

Reducing waste is one more important step we can all take in minimising our footprint on the environment.

Falls Creek Must Do List

Falls Creek features a stunning natural environment and there is so much to see and do. Here's a little list of our top tips to live like a local.

GET YOUR BEARINGS IN THE VILLAGE

1/2 DAY

Good for:

- ✓ Families
- ✓ Adventurers
- ✓ Couples

Find your way around the village by heading out for a stroll among the snowgums. Pop down to the Visitor Information Centre for the latest tips or download the village map and get out for a wander.

Village highlights include – Ski Wall at Diana Lodge, Possum Playground, the Big Fella Artwork up Ory's trail and of course a picture with the giant snowman!

Take a break and pop into one of the village cafes for a well deserved treat.

WALK TO ROPERS LOOKOUT

1/2 DAY

Good for:

- ✓ Families
- ✓ Adventurers
- ✓ Couples

Just over the other side of the dam is the wonderful Ropers Lookout, a great half day walk. This route meanders along a quiet aqueduct before it takes you up through the snow gums to the rocky outcrop of Ropers Lookout, named after an old cattleman.

ROCKY VALLEY LAKE

Bike, hike or drive out to Rocky Valley Lake for water-based fun at altitude. Grab your bathers and a picnic for a gorgeous day by the water. There is great trout fishing at the lake, so pick-up your fishing rod (and fishing licence) and throw in a line. The water is clear, inviting and very invigorating.

You can also explore the waters with a paddle experience from Peak Adventure. They've got kayaks and stand-up paddle boards for hire, and are happy to give you hints and tips if you've never tried it before.

Book on peakadventure.com.au/falls creek

TAKE THE HIGH ROAD

1-2 HOURS

Good for:

- ✔ Couples
- ✔ Sightseeing
- ✔ Families

Providing one of the best views of the alpine region, Mt McKay is Australia's highest drivable point at 1842m. The road up is a 20 minute drive on gravel roads and also can be linked out with Pretty Valley lake and huts! On a clear day it's possible to see hundreds of kilometres in all directions and across to all the major Victorian landmarks including Mt Bogong and Mt Feathertop. For a real treat head up at sunset with something cool and bubbly.

KAYAKING ON ROCKY VALLEY LAKE

WILDFLOWERS OF THE ALPINE NATIONAL PARK

BIKE TRAILS

TAKE AS LONG AS YOU LIKE OR
AS MUCH AS YOU CAN HANDLE.

Good for:

- ✓ Families
- ✓ Adventurers

We're big fans of downhill activity at Falls Creek, and following skiing and snowboarding some of our favourite things to do includes bikes.

For the adventurous and those who like to be reminded of the power of gravity, there's more than 50km of MTB trails to explore

There's beginner, intermediate and advanced trails for riders who are just starting out, for those who are progressing, and the more advanced who are looking for a serious shred. Check out the Falls Creek listing on Trailforks for the full details of our MTB trails. Visit our [website](#) or the Visitor Information Centre for MTB and Gravel trail maps.

For something a little more guided, check out Falls Creek Guides. They will take you on an e-bike tour of the Bogong High Plains with a homemade morning tea and lunch and all the knowledge you could hope for. Check them out at fallscreekguides.com.au

FALLS CREEK GUIDES IS A GREAT WAY TO EXPLORE THE TRAILS

WALLACE'S HUT

EXPLORE OUR HISTORIC HIGH PLAINS

Good for:

- ✔ Sightseeing
- ✔ Adventurers

With some of the oldest huts on the High Plains, Falls Creek is ideally located for those keen to explore the rich history of the High Plains, with cattlemen from European settlement and the connection to traditional owners many thousands of years before.

Take a relaxed drive to the iconic Wallace's Hut and see this remarkable piece of history nestled amongst the Snowgums. It's an easy and very scenic 6km walk along the Wallace's Heritage Trail to the slightly newer, but still historic Cope Hut. You'll enjoy views down towards the valleys and Shannonvale.

FOOD GLORIOUS FOOD

All those alpine adventures will give you a healthy appetite. With a range of fabulous venues in our village, you can enjoy a fizzy drink whilst overlooking the mountains, a pub meal while basking in the afternoon sun, or a freshly prepared hamper made by one of our fine venues.

LET'S GET SOCIAL

We post the freshest of pics and videos of our conditions on our social media pages. Don't forget to post your own updates using, #fallsfreedom or #fallscreekresort.

Plan Your Trip

Need to know how many hats to bring on your trip to Falls Creek? Or what else to pack? We've got the top tips to keep you covered.

SUMMER AT ALTITUDE

Falls Creek is very pleasant in Summer, usually with mild temperatures ranging from the teens to the high twenties. Our altitude of 1600m+ means it's usually around 10°C cooler than the towns and valleys below. Don't forget, variable conditions can happen at any time of year (yes, it can snow in December) and it's always best to be prepared.

Come equipped with general summer supplies of sunscreen, hat, bathers, river shoes and a towel,

hiking gear, sturdy shoes & a water bottle or hydration pack. Don't forget the "just in case" items such as an umbrella, warm clothing and jacket.

VISITOR INFORMATION

Want to chat to the team and get the local lens on what to do, where to go and how to make the most of your trip at Falls Creek?

The Visitor Information Centre is at 1 Slalom Street (look for the big green 'i') Map Ref E4 | 03 5758 1200.

The Centre is open for walk-in traffic or phone enquiries 7 days a week (Nov-April), check the website for summer opening hours.

Outside of opening hours, visit our website for maps, events, activities and general information for your stay at Falls Creek.

You can also contact us via Facebook Messenger to talk directly with one of our staff during business hours.

Getting to Falls Creek

Getting to Falls Creek in Summer is an easy and scenic drive from many places in Victoria or New South Wales.

FROM MELBOURNE

Head out of town on the Hume Freeway for 2¾ hours and take the Snow Road exit just before Wangaratta. Make a short stop in Milawa, home to wineries, a distillery and gourmet delights. From Milawa, head towards Myrtleford for stunning views of Mt Buffalo. You can then choose to go through the beautiful township of Bright, or directly to Mount Beauty and then on to Falls Creek. All up it's a 4¾ hour drive to Falls Creek from Melbourne.

FROM ALBURY & NSW

Falls Creek is the closest alpine resort to Albury and a great destination for a day trip or "next stop". The travel time is between 1½ to 2 hours and it's a spectacular drive through the Kiewa Valley. The best way is to cross the Murray River

into Wodonga and then follow the signs to Mt Beauty along the Kiewa Valley Highway.

Stop in at Mount Beauty to dip your feet in the Kiewa River at Pebble Beach, a short walk from the car park in Tawonga South.

FROM BRIGHT

Falls Creek is only 1¼ hours drive from this tourist hotspot. The "Tawonga Gap" route is an experience in itself with its incredible lookout over Mt Beauty and Mt Bogong at the top of the climb (make a stop and grab some great photos from Sullivan's Lookout). Simply head along the Great Alpine Road towards Harrietville/ Mt Hotham and the turnout to Mt Beauty is five minutes later on your left. Turn right once you finish "the Gap" and you are half-way there.

Village Services

It's easy to walk around Falls Creek Village, as it's less than 1km from end to end so you can get to most places in a 20 minute walk.

VILLAGE HUBS

Slalom Plaza and the Village Bowl are the two main village hubs and a great point for meeting with friends. The Plaza offers a lush village green and landscaped gateway, perfect for relaxing with a latte or a game of cricket. Head to the Bowl's impressive ski-field backdrop for a hit of tennis, a drink or a bite to eat. Just uphill, the Aqueduct Trail leads to some spectacular views close to the Wishing Well MTB trail.

COMMUNITY GYM

**St Falls Resort Complex |
Slalom Plaza**

Keep in shape at the community gym – fully equipped with weights, spin bikes, treadmills, rowing machine and strength equipment. A pass is needed to access the gym which you can purchase as a single-visit, weekly, seasonal or annual pass. You can purchase these passes at the Visitor Information Centre.

TENNIS COURTS

Village Bowl | 5758 1202

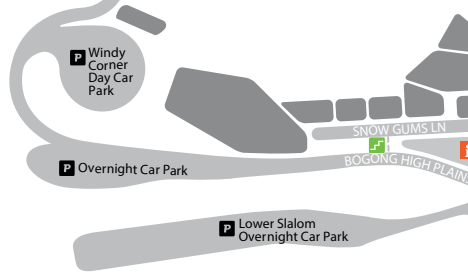

The Village Bowl tennis courts are \$10 per hour to hire and include FREE racquet rental. You can also buy balls at \$1 each. Bookings can be made via the Visitor Information Centre.

POST OFFICE

DINING OPTIONS

For the most up-to-date information about where to eat and what's open, please visit fallscreek.com.au/whats-on-summer/dining-nightlife-summer/

Family Fun

School holidays are buzzing at Falls Creek, there's so much to do for the whole family and ways too keep the little ones entertained.

FALLS CREEK MUSEUM

Experience the rich culture and heritage of the resort and region at the Falls Creek Museum. The Museum is open during major event weekends and by appointment. You can visit for a gold coin donation – to request a special visit call the Visitor Information Centre or contact via the website fallscreekmuseum.com.au

28 [FALLSCREEK.COM.AU](http://falls creek.com.au)

TENNIS COURTS

The tennis courts in the Village Bowl are available to hire by the hour. Please visit the Visitor Information Centre to arrange hire of the courts and to rent tennis rackets.

CRICKET SETS

Fancy a hit on the lawn at Slalom Plaza? Pop on over to the Visitor Information Centre and pick up a cricket set – FREE to borrow.

PYGMY POSSUM PLAYGROUND

The pygmy possum playground is a place for the kids to have a climb and a slide in between adventures! You will find it in the heart of the Village Bowl up Falls Creek Road.

DISC GOLF

Love the idea of a walk but the kids want to play a game? Why not do both and have a game of disc golf? Much like traditional golf players aim to complete each hole in the fewest number of strokes; except instead of a ball players use a flying disc!

Disc sets are available for rent for \$10 per set at the Visitor Information Centre, or we have some fun Falls Creek frisbees available to purchase.

Rocky Valley Lake

Cool blue water on a hot summer's day, head to Rocky Valley Lake for picnics, watersports, fishing or just relaxing. At 1600m, this is the highest significant body of water in Australia.

ROCKY VALLEY FORESHORE

Just a short distance from the village, the lake provides a water playground for a range of aquatic activities. Head to the foreshore area (just before the dam wall) for grassy banks, picnic spots and a safe entry point to paddle or swim. The water is cool all summer long, perfect for a refreshing dip on a hot summer's day.

KAYAKING & CANOES

Kayaking is one of the most popular forms of water recreation at Falls Creek. It allows you to head out and explore the banks and shorelines. Make sure you bring your lifejacket or PFD – there are no lifesaving services outside of special events and the lake becomes deep once you venture out. If you'd like to hire a kayak, canoe or stand up paddleboard, get in touch with Peak Adventure at peakadventure.com.au/falls creek

SAILING & MOTOR BOATS

Bring the tinny or the dinghy up to launch into Rocky Valley Lake. There are boat ramps on either side of the dam wall and ample parking for trailers and cars. Motor boats are allowed to launch but are restricted to 10hp craft only.

FISHING

Rocky Valley Lake is abundant with brown and rainbow trout, and you might get lucky to find a chinook salmon or two. The best fishing is by boating to the middle of the lake (see the restrictions above) but you can definitely get a nibble or two from the shoreline. Fly fishing is best at the close-by Pretty Valley Lake, found by driving or riding Pretty Valley Road toward Mt McKay. Fishing licenses are a must, which you can purchase easily online. Fishing rods are available to rent from the Visitor Information Centre for \$10 per day.

MOUNTAIN BIKING

This summer, Falls Creek has 3 brand new mountain bike trails. You want more action? Well, here you go...

Falls Creek Mountain Bike Park is 50km+ of flowing singletrack, 70% of the trails are intermediate and 10km are fantastic beginner trails.

All trails start and finish in the resort and our ride-in, ride-out village is as cycle friendly as they come with shuttles, facilities and more.

GREENLINE SUMMIT TO LAKESIDE

Our green line links 5 km of flowing green trail from the summit down to the lakeside. This is the PERFECT trail to get riders of all ages and abilities into the ebst parts of the resort. Descend 200m through gentle berms and rollers built to progress your skills. For a longer run you can also extend through Induction adn Short Circuit for a totla 10km ride.

TOP TO BOTTOM FLOW TRAIL

We've got mountains to play on and we're making the most of it with our 3 new trails. creating new top to bottom flow trails From the top of Summit all the way down to Howmans Gap, we have more than 5 km of flow trail for you to shred with your mates.

Charge down the mountain berms, and rollover the features that will keep you grinning and breathless all the way to the bottom.

Shuttles & Rentals

BLUE DIRT MTB SHUTTLE

The best way to get in the most rides is with a shuttle back to the top of the trails after each run. Blue Dirt Mountain Biking are the best in the business and they have an experienced crew running their fleet of 20 seater buses and trailers dedicated to the park. Shuttles pick up at the bottom of Flowtown and drive all the way to the Summit, stopping at the Village Hub inbetween.

GRAVEL RIDING

We're all explorers at heart and backcountry gravel riding is the ideal vehicle for those seeking adventure and space out beyond the resort boundaries. With an incredible network of gravel and backcountry riding routes weaving their way across the Bogong High Plains, Falls Creek is the perfect gateway for your next trip.

With options ranging from smooth and idyllic aqueduct trails right through to all day alpine epics, the rewards are waiting for those willing to push on just a little farther. With the ability to link backcountry rides into the network of singletrack and trails in our MTB park, the only real limit to how far you can go is yourself.

We've curated some of our favourite routes on the next pages and graded them accordingly. All of the routes are perfectly passable on a gravel bike but for some it may be easier tackled on a MTB due to the challenging nature of the terrain. All riders heading out into backcountry and terrain of the Alpine National Park should be independent and prepared, riders should not head out alone. The weather and conditions in the alpine environment can deteriorate rapidly and riders should as a minimum carry with them:

- Tools, pump and spare tubes (+ the ability to use them).
- Clothing for the conditions + a jacket (the weather in the alpine region can change quickly).
- Food and water for the duration of your ride.
- Fully charged mobile phone.
- First aid kit.
- Map + compass (and know how to use them).

ROCKY VALLEY LAKE RETURN

14.9
KILOMETRES RETURN

This gentle ride is a perfect warm-up and ideal for those with younger riders looking to find a quiet route to explore. The push up to the aqueduct trail out of the village is the hardest bit, with predominately flat trails after this, taking you through the Nordic Bowl and out to the opposite side of the Rocky Valley Lake for a new perspective and perhaps some rock skimming or a picnic!

TOUR OF THE TOP

14.3
KILOMETRES RETURN

This is a great ride for newer riders looking to explore within the resort and see how their hill climbing legs are faring! With a decent climb out of the resort, it rewards riders with incredible views over the valleys and across the high plains before a wonderful descent back into the village.

PRETTY VALLEY LAKE RETURN

19.2

KILOMETRES RETURN

This lovely cruise is a great intro into gravel riding and is perfect for those whose legs are a little less experienced. Heading out on simple gravel roads, this out-and-back route delivers stunning views of the high plains and brings riders out to the secluded Pretty Valley Lake. With steady climbs and beautiful scenery it can easily be extended with additional loops or a quick detour to the Pretty Valley Hut.

RYDERS YARDS RETURN

28.5

KILOMETRES RETURN

This classic ride will take riders out over the back of the resort and down into Pretty Valley. On chunky but well surfaced tracks, riders will visit 3 huts with the highlight being the ride to Ryders Yards, one of the most stunning locations on the high plains. Save some energy for the return leg though as you'll need to climb back out of Pretty Valley before descending back into Falls Creek.

SPION KOPJE RETURN

37

KILOMETRES RETURN

This high altitude ride offers some of the greatest views in the high country and heads out into the remote mountains flanking Bogong with much of the ride over 1800m. With a steady gravel grind up a long winding track this ride offers a feeling of solitude and adventure and really is one of the highlights of Falls Creek. The last section of trail is particularly technical and would be better suited to an MTB. Can be added onto the Huts & Aqueducts ride to make an epic day out.

TAWONGA HUTS RETURN

27.4

KILOMETRES RETURN

An epic ride out that takes you well out of resort boundaries and into the stunning isolation of the Tawonga Huts. With more technical terrain and a very isolated feel this awesome ride is a real adventure. Ideal for an out of bounds MTB ride this can be combined with riding back into resort on some singletrack in the Falls Creek MTB park.

FOREST AND MOUNTAIN

25.5

KILOMETRES RETURN

This classic loop takes advantage of some of the incredible variation on offer to riders from Falls Creek. This mixed surface route is perfect for a gravel bike and whilst it's short, it's got enough distance and elevation packed in to make it a great challenge with a long sustained climb.

HUTS AND AQUEDUCTS

40.6

KILOMETRES RETURN

This stunning route showcases all the high plains has to offer, huts, lakes and wide open alpine vistas. This mixed terrain route takes riders on 50% smooth aqueduct and tarmac and 50% rougher fire track. Rideable in both directions, it offers multiple opportunities to divert off the route and check out historic Cope Hut and Wallace's Hut. A challenging climb at the midway point keeps you honest. This ride can also be joined with the Spion Kopje ride to make an EPIC alpine day out!

HIGH ALPINE EPIC

60.5

KILOMETRES RETURN

Linking together the Huts & Aqueducts ride together with the Spion Kopje Return ride creates a majestic high level ride that will take riders into some of the high alpine routes unique to the Bogong High Plains.

FALLS CREEK BIG DAY OUT!

73.5

KILOMETRES RETURN

A combination of three of our best loops. This all day epic will take riders from green forest canopy up through snowgums, past historic huts and out onto one of the Alpine National parks most exposed plateaus and peaks. Not for the faint hearted this route is an awesome challenge on varied and challenging terrain.

FALLS TO

HOTHAM ALPINE

CROSSING

Rugged peaks, never-ending skies and vibrant, changing landscapes. This is the Bogong High Plains and you can experience it like never before by trekking between the alpine resorts of Falls Creek and Mt Hotham.

SINGLE DAY ROUTE – 25KM

This route takes hikers across the High Plains and past Mt McKay, Pretty Valley and the Falls Creek ski fields. Contact the Visitor Information Centre for the contact details for transport services.

THREE DAY ROUTE – 37KM

This alternate route brings hikers into Falls Creek via Rocky Valley Lake with Wallace's Hut and Cope Hut highlights. Eco-friendly camping platforms are located at Cope Hut and Dibbins Hut and are available to book online at parkstay.vic.gov.au

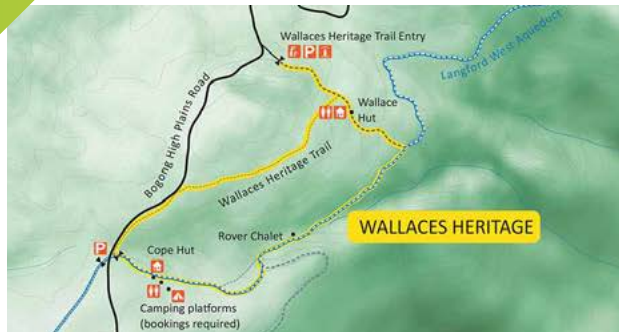

Full detailed maps are available to purchase from the Visitor Information Centre.

The Falls to Hotham Alpine crossing is a true bucket list item.

Wallaces Heritage Trail

No trip to Falls is complete without a visit to Wallace's Hut
– the oldest cattlemans hut in the Alpine National Park.

Wallace's Hut has been standing since 1889 and is a true piece of High Country history. The grounds are perfect for a picnic and nearby Cope Hut (circa 1929) is an easy addition to your visit. You can reach both huts with an easy walk or cycle from the well signed car park for a 6km round trip.

Access Wallace's Hut via the well signed car park approximately 8km along the Bogong High Plains Rd from the lake wall. If you are after a longer hike, continue on to the right to reach Cope Hut. You can also park at the Langford's Gap car park just 2km from the Dam Wall and complete as a return trip.

Arts, Nature & Heritage

Get back to nature in Australia's incredible alpine landscape.

TRAILS, TALES AND TUCKER

A fascinating 3km walk along the Wallace's Heritage Trail, listening to the stories, myths and legends of the characters that shaped the Bogong High Plains. The picnic tour takes in historical alpine huts and delves into the journeys of the traditional land owners, the Bogong Moth, the graziers, tribulations of the Kiewa Hydro Electric Scheme and the formation of Falls Creek Alpine Village. The walk concludes with a delectable lunch of tastes of the North East Victoria with stunning views across the High Plains. Info and bookings at trailstalesandtucker.com.

GLAMPING TOUR

Indulge in a truly unique experience with a glamping adventure within the Alpine National Park. Combining hiking and mountain biking with peaceful relaxation, this experience is the perfect option to stay in luxury amongst the incredible alpine surrounds. Glamping packages include a stay within resort at some of our famous guest apartment complexes.

Contact **Diana Lodge, Frueauf Village, or Falls Creek Guides** for full details on packages.

WATERFALL WALKS

The carpark at the Kiewa Valley River crossing (between Falls Creek and Bogong Village) leads to Fainter Falls, one of the most impressive waterfalls in the region. A moderate 700m trail through the alpine environment leads to an excellent viewing platform. Closer to home, take the short walk from the Gully Car Park to the boardwalk of Falls Creek Falls. Check the hiking section for more details on this walk.

ARTS & HERITAGE TRAIL

Discover the rich heritage and history of the village with this digital tour guide and cultural trail. Along the way be sure to see recent art installations of Big Fella (Ory's Trail), the childcare centre mural, and Falls Wren (Slalom Plaza fountain), plus the Skyline Lodge memorial in the Gully and the new Light Sculpture in Slalom Plaza. Use your phone to access the guide at fallsuserguide.com.

ROAD CYCLING

Steep climbs, tight curves and epic views. You haven't experienced alpine road perfection until you've ridden the Bogong Alpine Way.

Falls Creek has a huge reputation when it comes to road riding, thanks largely to the resort's unique dual approach perspective for spectacular climbs from Mount Beauty and Omeo. At 1600m+ there are recognised benefits in training at altitude so it's an easy task to combine holiday time with that all-important training regime.

From Falls Creek the 235km Alpine Loop stretches in each direction and circumnavigates the Alpine National Park. Be wary though – there is a reason they call this Peaks Challenge Falls Creek route Australia's toughest single-day ride.

MT BEAUTY APPROACH

 **3.9%
AVG GRADE**

 **1.200M
ELEVATION GAIN**

 **32
KILOMETRES**

The climb to Falls Creek is one of the longest and most picturesque in the Australian Alps. There are plenty of rest sections early before a steady climb once beyond Bogong Village.

OMELO APPROACH (BACK OF FALLS)

 **4.2%
AVG GRADE**

 **1000M
ELEVATION GAIN**

 **47
KILOMETRES**

The back approach to Falls Creek is easy for the first stretch from the Blue Duck Inn until a grueling 9km, ascent at 10% makes this one of the most challenging climbs in Victoria.

TRAIL RUNNING

Panoramic views and crisp mountain air are just the tip of the iceberg. Alpine trail running is an experience you just can't get in the city.

Falls Creek is a unique offering when it comes to alpine trail running. A diverse range of trails combine beautifully with the vibrant village, dramatic plains and iconic landmarks of the region to offer challenging rewards for all abilities.

Falls Creek trails range from flat well-manicured walking and vehicle tracks to rugged and remote singletracks through extreme alpine terrain. Heritage sites like Wallace's and Cope Huts join the spectacular features of Rocky Valley Lake, Mt McKay and Frying Pan Spur is an enviable sightseeing aspect too.

INTRODUCTORY RUN

160M ELEVATION GAIN

6 KILOMETRES

A gentle introductory run that scoots you out to serene Rocky Valley Lake via the sweeping 'Walking on Water' trail and returning via the resort's Aqueduct Trail. This is mostly graded underfoot with a reasonable incline to begin before levelling out for a comfortable loop return.

ADVANCED RUN

600M ELEVATION GAIN

11.7 KILOMETRES

An excellent run for those who like a challenge. It is not an incredibly long run but offers a good variation of elevation gain and loss as the landscape ranges from beautiful distant views of the surrounding mountains through to steep and technical running along thick forest and trickling streams.

Hiking Trails

AQUEDUCT TRAIL

5M ELEVATION GAIN

4 KILOMETRES

An excellent introductory walk for all ages, the Aqueduct Trail is easily accessible and leads between key highlight points of Wishing Well and Rocky Valley Lake.

PACKHORSE HERITAGE TRAIL

259M ELEVATION GAIN

4.6 KILOMETRES

Retrace the historic trail used by pioneers of the Falls Creek & Bogong High Plains region.

HOME AND AWAY

170M ELEVATION GAIN

4.3 KILOMETRES

A scenic hike taking in the Maze and Summit ski areas on a village return trip.

WALKING ON WATER

80M ELEVATION GAIN

2.75 KILOMETRES

Hike to the spectacular Rocky Valley Lake through Falls Creek's cross country ski trails and Nordic Bowl.

ROPERS LOOKOUT

100M ELEVATION GAIN

2 KILOMETRES

An easy hike with a natural staircase climb at the end to an incredible lookout point with views back to Falls Creek, down the Kiewa Valley and over Rocky Valley Lake.

FALLS CREEK FALLS

10M ELEVATION GAIN

50 KILOMETRES

A short walk from the village, Falls Creek Falls are an easy to access spot for a quick hike and offer a great insight into the regenerating flora from the 2003 alpine bushfires.

Hiking Trails

MOUNTAIN & CASTLE

250M ELEVATION GAIN

4.5 KILOMETRES

Hike to the highest drivable point in the Southern Hemisphere, Falls Creek's own Mt McKay. At 1849m above sea level the reward is an incredible view across Falls Creek and the Bogong High Plains.

HEATHY SPUR

150M ELEVATION GAIN

8 KILOMETRES

A 10km walk to return, this is a true high country hike across the natural landscape of the sprawling Bogong High Plains and taking in terrain damaged in the 2003 and 2006 bushfires.

MOUNT COPE

125M ELEVATION GAIN

1.75 KILOMETRES

Mt Cope (1857m) is one of the highest peaks in the High Plains and an easy extension from Cope Hut.

TAWONGA HUTS

290M ELEVATION GAIN

23 KILOMETRES

Take a full day's hike out to the pretty grounds of the Tawonga Huts. Mostly hiking on dirt trails, this route takes you past highlights of Mt McKay, Pretty Valley Lake and Horse Yards.

PROUD PARTNER OF FALLS CREEK RESORT

The energy within Falls Creek through all seasons

We remain committed in our proud support for Falls Creek, year round. As the snow melts, and as tourism once again returns to the region, the melted snow flows down through the rivers, and we do our job in transforming it into renewable energy. We look forward to being back on the slopes with you again.

BIG RIDES

This year we're excited to bring the international Grinduro Gravel Riding Race to Falls Creek. But it's not just an 80km bike race. It's a celebration of cycling with as much emphasis on the fun as the ride, with incredible scenery, excellent food, an impressive display of art and incredible handmade bikes, live music, and a festival atmosphere.

For the avid road cyclists amongst us, Falls Creek is a mecca for pushing your fitness, skills and determination across our headline range of cycling events. With over 1500 participants in 2022, the Peaks Challenge Falls Creek sets the bar for the ultimate cycle challenge. It's 235km route is nothing short of epic and the 100km course is still an incredible challenge.

BIG RUNS

If you're more fleet of foot, Falls Creek also has a great options for trail running events. 2022 will see the

return of the Iconic Alpine Challenge; featuring trail runs for all abilities from 10kms to 100kms. Falls Creek will also be welcoming back the Australian Grand Traverse in March 2022. This awesome event will see participants complete the stunning Falls to Hotham Alpine Crossing in one day with return transport and accommodation options available.

BIG FUN

It's not all action packed and hard work at Falls Creek though. Our family friendly FEASTIVAL Falls Creek is a wonderful weekend -long festival packed full of music, art, comedy and food. So much fun for everyone. For those looking to leave the kids at home we'd recommend the decadent luxury of the Falls Creek Long Lunch. This 3-course epicurean feast takes place in the iconic surrounds of the Alpine National Park, with matched local wines and arrival drinks will provide for an unforgettable day!
